SUMMARY

Frontend Developer with 1.5 years of experience building responsive and scalable HRMS and ERP web applications using React.js, Next.js, JavaScript, and Tailwind CSS. Skilled in developing reusable UI components, REST API integration, state management, and implementing complex business logic. Experienced in delivering production-ready applications, optimizing performance, and building high-quality user experiences for cross-functional teams.

TECHNICAL SKILLS

Languages:	JavaScript (ES6+), Python, HTML5, CSS3
Frameworks:	React.js, Next.js, Tailwind CSS, Node.js, Express.js, Electron.js
Databases & State:	MongoDB, Redux Toolkit, Context API, RESTful APIs
Developer Tools:	Git, GitHub, Postman, VS Code, Vercel, Render, Figma, Spline

PROFESSIONAL EXPERIENCE

Frontend Developer | **LNV Softwares** — Ambernath, Maharashtra | Aug 2025 – Sep 2026

- Developed and maintained complex ERP and HRMS web applications for enterprise clients using React.js, Next.js, Tailwind CSS, JavaScript, Node.js, and Express.js, building responsive frontends and robust backend APIs.
- Built production-ready, highly responsive UI components, seamlessly integrated robust REST APIs, and managed application state efficiently.
- Implemented core business logic, optimized frontend performance for faster load times, and actively participated in deployment workflows and production releases.

Freelance Web Developer | **Self-Employed** — Remote | Jan 2025 – Jul 2025

- **Pruxr Design (pruxrdesign.com):** Developed a technically optimized Next.js architecture portfolio, focusing on rapid load times and seamless navigation.
- **Gauri Enterprises (gaurienterprises.vercel.app):** Engineered a Next.js full-stack e-commerce platform with a custom backend and admin dashboard for real-time inventory management.
- **Vishwakarma Interiors (vishwakarmainterior.co):** Built a fast-loading, mobile-first Next.js website with clean component architecture to maximize client engagement.
- **Nitya Interior (nityainterior.com):** Designed a high-performance, SEO-optimized Next.js portfolio with a responsive UI to showcase luxury interior design projects.

SOFTWARE PROJECTS

Todo Masters (Full-Stack Task Manager) *https://todo-masters.vercel.app* — MERN Stack

- Developed a full-stack task management application featuring robust user authentication (login/signup) and secure, individualized user accounts.
- Engineered real-time CRUD operations for task management and integrated cloud storage solutions to support user file and image uploads.

Class Management System *https://rct-private-tuition.vercel.app* — MERN Stack

- Designed and deployed a comprehensive web-based tuition management system.
- Built structured database models and scalable APIs to handle student, teacher, and administrative staff records efficiently.

EDUCATION

Bachelor of Science in Information Technology (B.Sc. IT) | **L.D. Sonawane College** — CGPA: 9.2/10 | May 2025
